Audit of Accounts Report

Introduction

- 1 We summarise the main findings from our audit of your 2022-23 annual report and accounts in this report.
- 2 We have already discussed these issues with the Head of Pensions.
- 3 Auditors can never give complete assurance that accounts are correctly stated. Instead, we work to a level of 'materiality'. This level of materiality is set to try to identify and correct misstatements that might otherwise cause a user of the accounts into being misled.
- 4 We set this level at £37.7 million for this year's audit.
- 5 There are some areas of the accounts that may be of more importance to the reader and we have set a lower materiality level for these, as follows:
 - Key management personnel £1,000
 - Related party disclosures £5,000 (individuals); £37.7million (other bodies)
 - Management expenses (administrative, oversight, governance) £1 million.
- 6 At the date of this report, our audit is substantially complete, subject to completion of the following:
 - the IT controls testing;
 - checking all audit amendments agreed have been correctly reflected in the final draft;
 - director and manager review of audit files and clearance of any review points;
 - receipt and review of the of the signed Letter of Representation;
 - completing final checks on the signed financial statements after the Council have agreed them; and
 - a review of events after the reporting period up to signing date.
- 7 In our professional view, we have complied with the ethical standards that apply to our work; remain independent of yourselves; and our objectivity has not been compromised in any way. There are no relationships between ourselves and yourselves that we believe could undermine our objectivity and independence.

Proposed audit opinion

- 8 We intend to issue an unqualified audit opinion on this year's accounts once you have provided us with a Letter of Representation based on that set out in **Appendix 1**.
- 9 We issue a 'qualified' audit opinion where we have material concerns about some aspects of your accounts; otherwise we issue an unqualified opinion.
- 10 The Letter of Representation contains certain confirmations we are required to obtain from you under auditing standards along with confirmation of other specific information you have provided to us during our audit.

11 Our proposed audit report is set out in **Appendix 2**.

Significant issues arising from the audit

Uncorrected misstatements

12 There are no misstatements identified in the accounts, which remain uncorrected.

Corrected misstatements

13 There were a small number of misstatements in the accounts that have now been corrected by management. These were all presentational in nature.

Other significant issues arising from the audit

14 In the course of the audit, we consider a number of matters relating to the accounts and report any significant issues arising to you. There were no issues arising in these areas this year.

Proposed Audit Report

The report of the Auditor General for Wales to the members of Torfaen Council Borough Council as administering authority for Greater Gwent (Torfaen) Pension Fund

Opinion on financial statements

I have audited the financial statements of Greater Gwent (Torfaen) Pension Fund for the year ended 31 March 2023 under the Public Audit (Wales) Act 2004.

Greater Gwent (Torfaen) Pension Fund financial statements comprise the fund account, the net assets statement and the related notes, including the significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and international accounting standards as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2022-23.

In my opinion, in all material respects, the financial statements:

- give a true and fair view of the financial transactions of the pension fund during the year ended 31 March 2023, and of the amount and disposition at that date of its assets and liabilities;
- have been properly prepared in accordance with legislative requirements and UK adopted international accounting standards as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2022-23.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK (ISAs (UK)) and Practice Note 10 'Audit of Financial Statements of Public Sector Entities in the United Kingdom'. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report.

My staff and I are independent of the pension fund in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Conclusions relating to going concern

In auditing the financial statements, I have concluded that the use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work I have performed, I have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the pension fund's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from when the financial statements are authorised for issue.

My responsibilities and the responsibilities of the responsible financial officer with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and my auditor's report thereon. The Responsible Financial Officer is responsible for the other information contained within the annual report. My opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in my report, I do not express any form of assurance conclusion thereon. My responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

I have nothing to report in this regard.

Opinion on other matters

In my opinion, based on the work undertaken in the course of my audit:

- the information contained in the annual report for the financial year for which the financial statements are prepared is consistent with the financial statements and is in accordance with the Local Government Pension Scheme Regulations 2013.

Matters on which I report by exception

In the light of the knowledge and understanding of the pension fund and its environment obtained in the course of the audit, I have not identified material misstatements in the annual report.

I have nothing to report in respect of the following matters, which I report to you, if, in my opinion:

- I have not received all the information and explanations I require for my audit;
- adequate accounting records have not been kept, or returns adequate for my audit have not been received from branches not visited by my team; or
- the financial statements are not in agreement with the accounting records and returns.

Responsibilities of the responsible financial officer for the financial statements

As explained more fully in the Statement of Responsibilities for the financial statements set out on [page X](#), the responsible financial officer is responsible for:

- the preparation of the financial statements, which give a true and fair view;
- maintaining proper accounting records;
- internal controls as the responsible financial officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; and

- assessing the Greater Gwent (Torfaen) Pension Fund's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible financial officer anticipates that the services provided by Greater Gwent (Torfaen) Pension Fund will not continue to be provided in the future.

Auditor's responsibilities for the audit of the financial statements

My responsibility is to audit the financial statements in accordance with the Public Audit (Wales) Act 2004.

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. I design procedures in line with my responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

My procedures included the following:

- Enquiring of management, internal audit and those charged with governance, including obtaining and reviewing supporting documentation relating to Greater Gwent (Torfaen) Pension Fund's policies and procedures concerned with:
 - identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
 - detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud; and
 - the internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations.
- Considering as an audit team how and where fraud might occur in the financial statements and any potential indicators of fraud;
- Obtaining an understanding of Greater Gwent (Torfaen) Pension Fund's framework of authority as well as other legal and regulatory frameworks that [name of pension fund] operates in, focusing on those laws and regulations that had a direct effect on the financial statements or that had a fundamental effect on the operations of Greater Gwent (Torfaen) Pension Fund; and
- Obtaining an understanding of related party relationships.

In addition to the above, my procedures to respond to identified risks included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with relevant laws and regulations discussed above;
- enquiring of management, the Audit Committee and legal advisors about actual and potential litigation and claims;
- reading minutes of meetings of those charged with governance and the administering authority; and

- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

I also communicated relevant identified laws and regulations and potential fraud risks to all audit team members and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

The extent to which my procedures are capable of detecting irregularities, including fraud, is affected by the inherent difficulty in detecting irregularities, the effectiveness of the Greater Gwent (Torfaen) Pension Fund's controls, and the nature, timing and extent of the audit procedures performed.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Other auditor's responsibilities

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Certificate of completion of audit

I certify that I have completed the audit of the accounts of Greater Gwent (Torfaen) Pension Fund in accordance with the requirements of the Public Audit (Wales) Act 2004 and the Auditor General for Wales' Code of Audit Practice.
